

2025 Symtech Donation to SickKids

Symtech is proud to share that we have made a donation to the SickKids Foundation this year, continuing our commitment to giving back.

The donation includes all proceeds from the 2025 Symtech Employee Golf Tournament and reflects the generosity of our entire team.

Thank you to everyone who participated and contributed – your spirit made this possible.

This marks our fifth consecutive year supporting SickKids, and we're inspired by how Team Symtech comes together to make a real impact on children and families in Canada and beyond.

Let's carry this spirit of community and giving into the future!
